

## National Drive Electric Week 2020 – Albany, OR Event Plan

### Electric Vehicles on Display:

- Please use 1.5 spaces per vehicle, so that open doors cannot touch.
- Park in area A first. If that fills, park in area B. If B fills, park in Area C.

The “information booth” will be in the green diamond. General information about requirements to wear masks and respect social distancing is [here](#), and the “City Captain” (Charles Bonville) will be here.

Visiting members of the public (persons that are not displaying an EV) are encouraged to park on Elm St, 18<sup>th</sup> Ave and Walnut St. Further parking is available in school parking lots west of Elm St.
