

Electric Vehicle Show

Saturday, April 30, 2022

12 noon – 5:00 pm

Benton County Event Center & Fairgrounds

(South Parking Lot, off Reservoir Road)

- Interested in owning an electric car, bike, or scooter?
- Want to help make the transition to fossil fuel-free living?

If you answered “YES” to both of these questions, then you’re invited!

The Corvallis Sustainability Coalition, with participation by Corvallis-area electric vehicle (EV) owners and dealers, wants to help community members realize the benefits of **going electric**. Come see a variety of the latest all-electric and plug-in hybrid cars, bikes, and scooters. Opportunities to talk with local EV owners and take a test ride. Also, learn about solar panels and EV charging at home.
